The card that puts money in your pocket!

Why A.S.K. means more business

- * American Saver Klub (A.S.K.) is the Valley's foremost savings club and membership is growing daily!
- * A.S.K. members simply show their club card to participating A.S.K. merchants to take advantage of savings on everything from restaurants and retail outlets to entertainment and travel! American Saver promotes A.S.K. on television, radio and the internet, as well as in American Saver Magazine, electronic newsletters, at points of purchase and through non-profit organizations.
- * A.S.K. is partnering with non-profits so that you, customers and non-profits can ALL benefit.
- * A.S.K. membership cards are being sold to the public for only \$19.95 each (one-year membership) through local charities and other non-profit organizations as fund raisers. For each card sold, a portion of the purchase price will be donated to the participating non-profit.

1. Determine an offer that will best compliment your product or service and attract A.S.K. cardholders. Your basic offer or discount must be valid for one year for the annual directory.
